To love, to learn, to live...to leave a legacy

11/02/25

Dear Parents and Carers,

We hope this letter finds you well.

We are writing to address an ongoing concern regarding considerate parking on school grounds and the importance of maintaining respectful interactions among all members of our school community.

Recently, there have been a number of incidents where parking has caused some concern and a safety hazard for our children. We kindly remind all parents to park responsibly and to ensure that spaces are used efficiently to avoid unnecessary obstructions.

Additionally, we would also like to take this opportunity to reinforce our school's expectations regarding respectful conduct. As we emphasize respect towards our teaching staff and pupils, it is equally important that everyone extend this courtesy to fellow parents and carers. We urge all parents to be mindful of their words and actions in conversations, please, particularly in the presence of children.

We will continue to monitor the parking situation and, if necessary, explore further measures to ensure a safer and more considerate drop-off and pick-up experience for everyone. If you have any concerns or suggestions, please do not hesitate to reach out to the school office.

Thank you for your cooperation and for helping us foster a positive and supportive school environment.

Best wishes,

Mrs B McManus  
Headteacher
